123 5th Avenue Kirkland, WA 98033

CASE# 2018-00032226

CASE REPORT**NARRATIVE****Officer Dreher #621****08/26/2018****18-32226****Runaway/Missing Juvenile**

On 08/26/2018 at approximately 1831 hours, I was dispatched to FairFax Hospital in reference to a reported escaped subject. Upon arrival, I spoke to the reporting party, [REDACTED], who was the on duty manager of the facility about the incident.

[REDACTED] told me a patient, *Juvenile Witness* 03-30-2001, self admitted himself on 08/23/2018 with his mother, [REDACTED] for mental health reasons. [REDACTED] stated the facility doctor had not cleared *Juvenile Witness* to leave the facility, but there was no court order or Involuntary Commitment order in place. *Juvenile Witness* had not created any disturbance today and made no suicidal or homicidal statements prior to leaving or while leaving the facility. [REDACTED] was not aware of any medical conditions that would make *Juvenile Witness* endangered juvenile. [REDACTED] stated three facility nurses left on foot in the area after *Juvenile Witness* and he had not heard back from them and was concerned. [REDACTED] also told me *Juvenile Witness* left the facility two days ago and came back on his own without incident. [REDACTED] stated *Juvenile Witness* was last seen wearing maroon pants and shirt similar to nurse scrubs.

Myself and responding officers conducted an area check for *Juvenile Witness* and the nurses to check their welfare. The three nurses were located in the 13000 block of 100th Ave NE and returned to the facility without incident. The nurses stated they lost sight of *Juvenile Witness* and last saw him running east towards Juanita High School area in the woods. Multiple officers conducted an area check of Juanita High School, the surrounding neighborhoods and transit center for *Juvenile Witness* but did not locate him.

At approximately 1858 hours, I called [REDACTED] about the incident and advised her *Juvenile Witness* had left the facility. [REDACTED] was driving back to the Seattle area from Spokane, Washington and stated he had done the same thing in the past. I asked [REDACTED] if she wished to have *Juvenile Witness* entered as a missing/runaway juvenile, which she stated yes to. [REDACTED] confirmed *Juvenile Witness* has no medical conditions, which would put him in danger. [REDACTED] stated *Juvenile Witness* only suffers from mental illness. I requested [REDACTED] email me an updated picture of *Juvenile Witness* which she did at approximately 2100 hours.

CASE# 2018-00032226

CASE REPORT**NARRATIVE (continuation)**

After speaking to [REDACTED] a citizen reported a suspicious male in the area of 12900 block of 103rd PL NE, who matched [REDACTED] Juvenile Witness. The citizen reported feeding the male and giving him a change of clothes. I responded to this area and observed the male, who matched [REDACTED] Juvenile Witness. The subject was wearing maroon pants and a white T-shirt. When the male observed my patrol he immediately started running west into the Spring Brook Condos. I did not give foot pursuit due to the nature of the incident and having no probable cause for his arrest. I lost sight of the subject and conducted an area search on foot with a responding officer, which was negative.

[REDACTED] Juvenile Witness was entered a Missing Juvenile into NCIC/WACIC at approximately 1929 hours by operator T172. I posted a bulletin for [REDACTED] Juvenile Witness at the Kirkland Police Department.

No further information.
